Verse 2:

In the womb of a virgin, The Word of flesh was formed There at the crib of Bethlehem, The light of the world was born In a small and humble stable, heaven kissed the earth A baby in a manger, came to save the world and we stand in awe and wonder at the birth of Jesus Christ Here we worship and adore You God

Here we worship and adore You God

Verse 3:

At the cross of Golgotha, as darkness filled the skies
The precious, perfect Son of God, was crucified for us
See the thorns pressed in his head, The nails in His hands
Suffering to give us peace, the pure and spotless lamb
and we stand in awe and wonder at the cross of Jesus Christ
Here we worship and adore You God

Verse 4:

At the tomb of our Saviour, The Light laid on a stone
Yet bursting out in victory, death had been dethroned
The sting of sin was severed, it had lost all reign
Now the resurrected King of kings has overcome the grave
and we stand in awe and wonder at the empty tomb of Christ
Here we worship and adore You God

Verse 5

We wait for His returning, we look up to the skies
We lift our hands in worship, we lift His name on high
One day we'll join the angels and earthly pain will cease
We'll fix our eyes on Jesus, we'll see him face to face *extra bar

and we'll stand in awe and wonder for eternity with Christ We will worship and adore You God

We will worship and adore You God, We will worship and adore You God
